

Environmental Policy

We recognise that in our day-to-day operations we impact on the environment and are therefore committed to reducing this level of impact wherever possible considering the principles of sustainable development. We are committed to protecting the environment, including the prevention of pollution and reducing usage of consumables.

Management Statement of intent and commitment to the environment

The management team is committed to:

- Maintaining an effective Environmental Management System that is certified to ISO 14001:2015 (Opus Trust Communications & Critiqom).
- Continually developing and improving the effectiveness of the Environmental Management System.
- Establishing and reviewing environmental management objectives (documented within the IMS Manual).
- Ensuring the availability of resources.
- Complying with all relevant legislation and applicable requirements.
- Ensuring all personnel are provided with appropriate training and awareness to enable them to understand and comply with the requirements of the Environmental Management System.
