

Environmental Policy

We recognise that in our day-to-day operations we impact on the environment and are therefore committed to reducing this level of impact wherever possible. We are committed to protecting the environment, including the prevention of pollution and reducing our impact on climate change.

The management team is committed to:

- Maintaining an effective Environmental Management System that is certified to ISO 14001:2015 (Opus Trust Communications –Leicester, Critiqom – Bellshill, Adare SEC – Huddersfield & Nottingham).
- Continually developing and improving the effectiveness of the Environmental Management System to enhance our environmental performance.
- Establishing and reviewing environmental management objectives.
- Monitoring environmental aspects such as waste & climate change impacting emissions and where appropriate taking steps to reduce these aspects.
- Complying with all relevant legislation and applicable requirements.
- Determining our compliance obligations and ensuring our operations are carried out in accordance with these compliance obligations.
- Ensuring all personnel are provided with appropriate training and awareness to enable them to understand and comply with the requirements of the Environmental Management System.
